

Technical Service Bulletin

94 Exterior lighting system error displayed on instrument cluster; no DTC

94 14 50 2038103/1 August 11, 2014.

Model(s)	Year	VIN Range	Vehicle-Specific Equipment
A3	2015	All	Not Applicable

Condition

- The warning “exterior lighting system error” appears on the instrument cluster, but the condition can only sporadically be reproduced.
- All exterior lighting continues to operate normally.
- No DTCs are found in the vehicle electrical system control module, J519 (address word 09).

Technical Background

The calculation of the check sum of the J519 control module is incorrect, which causes the false warning on the instrument cluster.

Production Solution

Updated software version.

Service

SVM Update Instructions

1. Follow all instructions in TSB 2011732: *00 Software Version Management (SVM), operating instructions*.
2. Update the J519 control module using the SVM action code as listed in the table below, if necessary.

Model	Old Software Version	New Software Version (or higher)	SVM Code Input
A3	124	134	09A015
