

# Service Bulletin

File in Section: -

Bulletin No.: PIC5970A

Date: April, 2014

## PRELIMINARY INFORMATION

**Subject:** Installing Z51 Wheels On a Non-Z51 Car

**Models:** 2014 Chevrolet Corvette Stingray

**This PI was superseded to update recommendations and add Warranty Information section.  
Please discard PIC5970.**

### Condition/Concern

A dealer or customer may inquire about installing wheels and tires associated with the 2014 Corvette Performance Sport Handling Package (RPO Z51) on a vehicle not built with RPO Z51 from the factory.

### Recommendation/Instructions

**Note:** This does NOT involve any GM Accessory Wheels - such as the RPO 5YU or 5YV.

Installing Z51-optioned wheels and tires on a vehicle not equipped with the Z51 package has now been evaluated and is an approved wheel change. There is NO need to update any module for this installation.

### Warranty Information

No warranty code is associated with this. The installation of Z51 wheels, all related components and labor expenses are the responsibility of the customer.
