For complete operation details of the Park Out feature, please refer to your vehicle's Owner's Handbook.

### How long will it take?

The work will be carried out as quickly and efficiently as possible in order to minimize inconvenience to customers and is expected to take less than one hour, although your retailer may need your vehicle for a longer time due to service scheduling requirements and vehicle conditioning.

**Attention Leasing Agencies:** Please forward this notification to the lessee within ten (10) days.
