Dear «Owner_name»:

Keystone RV Company has decided that certain model 2015 Springdale SG258RLWE15 Travel Trailers have the incorrect information on the Federal Identification Tag. As a result, Keystone RV is conducting a replacement campaign. We apologize for any inconvenience this action may cause you; however your continued satisfaction is of the utmost importance to us.

***Reason for
this campaign***

The vehicles subject to this advisory were manufactured with the incorrect information on the Federal Identification Tag and Tire and Loading Information Label. The corrections to the tags are as follows:

- **Tire Inflation Pressure 345 kPa (50 Psi); was 448 kPa (65 Psi)**

What we will do

We have enclosed the corrected tags to remedy the situation.

***What we need
you to do***

At your earliest convenience, apply the new Federal Identification Tag over top of the existing label. If you require assistance installing the label, please make an appointment with your dealer and bring the unit to the dealership and they will install the label at no cost to you.

***If you have
questions***

Please contact Keystone Customer Service by calling 1-866-425-4369 if you have any questions.

Thank you for your attention and cooperation in this matter.

Sincerely,

KEYSTONE RV COMPANY
