**Subject: Customer Satisfaction Campaign 44L6 – Wheel Replacement
Certain 2015 Model Year Audi A7**

Dear Audi Owner,

As part of Audi's ongoing commitment to customer satisfaction, we are informing you of our decision to conduct a customer satisfaction campaign on certain 2015 model year Audi A7 vehicles. Our records show that you are the owner of a vehicle affected by this action.

What is the issue? Certain vehicles were produced with wheels that do not meet Audi appearance requirements. In the event an owner wishes to replace a wheel, four new wheels would need to be purchased because a matching replacement for the existing factory wheel would not be available. This can result in considerable expense to the owner and lead to customer dissatisfaction.

What will we do? In order to ensure your continued satisfaction, Audi has obtained a set of four brand new wheels for your vehicle and will install them in place of the factory-installed wheels free of charge. The new wheels meet Audi appearance specifications, and are also available for replacement ordering by your Audi dealer.

What should you do? In order to limit any possible inconvenience, please contact your authorized Audi dealer as soon as possible to schedule this service. This work will take approximately two hours to complete, and, as stated above, will be performed at no cost to you. Please keep in mind that your dealer may need additional time for the preparation of the repair, as well as to accommodate their daily workshop schedule.

This customer satisfaction campaign will be available for you free of charge only until February 28, 2016. If you wish to have this service performed after that date, your dealer's normal parts and labor cost associated with this repair will apply.

Lease vehicles and address changes If you are the lessor and registered owner of the vehicle identified in this action, please forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

Reimbursement of Expenses If you have previously paid for repairs relating to the condition described in this letter, the enclosed form explains how to request reimbursement. We would be pleased to review your reimbursement request.

Can we assist you further? If your authorized Audi dealer fails or is unable to complete this work free of charge within a reasonable time, please call or write to:

Attn: Customer Experience (44L6)
