

**CSC-10058278-1977**

**REPROGRAM FINAL DRIVE  
CONTROL MODULE**

## **CUSTOMER SATISFACTION NOTIFICATION**

**P73**

This notice applies to your vehicle (VIN: xxxxxxxxxxxxxxxxxxxx).

Dear: (Name)

At FCA US LLC, we recognize that the success of our business depends on the satisfaction of our customers. We are constantly monitoring the quality of our products and looking for opportunities to improve our vehicles even after they are sold. Because your long-term satisfaction is important to us, we are contacting you on important improvements we would like to make to your vehicle. This will be done at no charge to you.

We are recommending the following improvements be performed on certain **2005 through 2010 model year Jeep® Grand Cherokee and 2006 through 2010 model year Jeep® Commander vehicles equipped with a Quadra-Trac II Full Time Active 4WD transfer case.**

**Recommended Service:** **The Final Drive Control Module (FDCM) software on your vehicle may cause the “Service 4WD” light to come on and an inability to switch 4WD mode when trying to shift out of the current selected mode.**

**What your dealer will do:** **FCA will service your vehicle free of charge (parts and labor).** To do this, your dealer will reprogram the Final Drive Control Module (FDCM) with new software. The work will take about ½ hour to complete. However, additional time may be necessary depending on service schedules. We recommend that you make an appointment with your dealer to minimize your inconvenience.

**What you should do:** Simply **contact your Chrysler, Jeep, or Dodge dealer**, at your convenience, to schedule a service appointment. Your dealer will collect the necessary information to ensure that the appropriate parts are available so your service can be completed in a timely manner. Although not required, we recommend bringing this letter with you to your dealer, when you bring your vehicle in for this service.

**If you need help:** Please contact the FCA US Customer Assistance Center at 1-800-853-1403.

Please help us update our records by filling out the attached prepaid postcard, if any of the conditions listed on the card apply to your vehicle. If you have further questions go to **recalls.mopar.com**.

If you have already experienced this specific condition and have paid to have it repaired, you may visit **www.fcarecallreimbursement.com** to submit your reimbursement request online or you can mail your original receipts and proof of payment to the following address for reimbursement consideration: **FCA Customer Assistance, P.O. Box 21-8004, Auburn Hills, MI 48321-8007, Attention: Recall Reimbursement**. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you've had previous repairs and/or reimbursement you may still need to have the recall repair performed on your vehicle.

We apologize for any inconvenience this service may cause to your schedule. FCA is committed to providing our customers with world class quality products, ensuring that you have a positive dealership experience and following up on any issues and concerns that you may have in a timely manner through our Customer Assistance Center. Thank you for being our customer.

Sincerely,  
Customer Service / Field Operations  
FCA US LLC
