In an effort to clarify information contained in the Windshield Warranty Extension TSB #12-192-15 dated 10/12/2015, please review the following:

- Repairs covered under this Warranty Extension are **NOT** subject to the \$500.00 pre-authorization requirement. **DO NOT** submit an Authorization Request for windshield replacement through Subarunet for repairs covered under this Warranty Extension.
- Claims submitted under this Warranty Extension must use the claim coding listed in the TSB and only the fail code **WBH86** or **WBH02**. **DO NOT** use WAA02 for windshield claims covered by this Warranty Extension.
- Any windshield condition/damage originating **OUTSIDE** of the affected wiper deicer area is **NOT** covered by this Warranty Extension.

As of 11/19/2015, the TSB has been revised to reflect these clarifications.
