Background

American Honda (AHM) is investigating certain 2013-2014 Accord L4s with a customer complaint of engine not starting. To fully understand the cause of this condition, AHM would like to collect specific parts from the vehicle in certain condition prior to you attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirement:

1. Accord L4 only.
2. Must be able to duplicate the no start condition.
3. First time complaint only.
4. No previous replacement of the battery, alternator, or starter motor.

Action Required

If you have or know of such a vehicle, please call the Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
