Re: Product Update: 2015 TLX OBDII Software Update

Today, June 9, 2015, American Honda is announcing a product update for some 2015 TLX units for updating the PCM software to meet OBDII regulations.

Basic Problem

Software in the PCM does not meet OBDII regulations.

The Repair

Update the PCM with improved software.

Service Bulletin

S/B 15-024, *Product Update: PCM Software Does Not Meet OBDII Regulations* will be posted on Service Information today in support of this product update, and it will include tools, parts, warranty and repair information related to this PUD.

Parts Information

This is a software update only. Please refer to S/B 15-024 for more information.

Client Notification

American Honda expects to notify owners of affected vehicles in early July.

As always, please make sure to check iN VIN status to determine if a particular vehicle is eligible for this product update.
