RE: Request for Info/Visit: 2013-2015 Civic Loose or Missing Roof Molding

Print this *iN* message and provide a copy to the Shop Foreman and all Service Advisors.

Background

American Honda (AHM) is investigating certain 2013-2015 Civics with a complaint of a loose or missing roof molding. To fully understand the cause of this condition, AHM would like to collect specific information from the vehicle prior to you attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirements:

1. Vehicle must be manufactured AFTER 01/2012. (Refer to the FMVSS certification label on the B-Pillar)
2. VIN must start with 2HG.
3. 2 doors, 4 doors, 2-door Si & 4-door Si are okay.
4. No CNG or Hybrid.

Action Required

If you have or know of such a vehicle, please call Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
