Title: Advanced Logic Request**Applies To:** All HPV

CHANGE LOG

Please refer to the change log text box below for recent changes to this article:

07/16/2015 - Added note about username and password.

DESCRIPTION

Vehicle Programming and Chassis Electrical, in Tech Service, does not handle Advanced Logic Requests. These are handled by Application Engineers.

Below is the link to submit a request.

<https://evaluateb.internationaldelivers.com/ntcagtracker/aqtracker/>

(To access the link above, requires a username and password).

NOTE:

When the quote is ready for dealer approval, an E-Mail should be sent to the address; identified on the form by the requester. If you do not receive an E-Mail, the requester can also check on the status of the request and/or approve it, at the link above. The site should display all Advanced Logic Requests, submitted by the requester.
