Technical Bulletin

Service

! Note:

Before drilling mounting holes into the bumper cover, make sure that there are no obstacles behind the drilling area.

Front license plate holder, installing

- Center the license plate bracket -1- on the front bumper cover.
- Mark the centers of the 4 mounting holes on the bumper cover.
- Using an 8mm drill bit, drill 4 holes at the locations marked.
- Align the holes of the bracket with the drilled holes on the bumper cover.
- Fasten the bracket with 4 (push pin style) clips -2-.

Technical Bulletin

Warranty

Installation of the license plate holder is included in the PDI.

DO NOT claim additional labor for this operation.
