Return Center information.

Gasoline Fuel Rail Parts Return

In an effort to support the return of Gasoline Fuel Rails to the part supplier, Group Customer Protection is requesting the collection of 1,000 Fuel Rails, part number 06K 133 317H, replaced during the current Safety Recall – 24BL.

All approved 24BL Safety Recall claims will be requested in the Warranty Parts Shipping Portal (WPSP) until the required number of parts has been collected.

The Gasoline Fuel Rails will be collected at the following inspection facility. The requested Gasoline Fuel Rails must be properly returned using the addressed HAZMAT return label generated from the WPSP.
