- Describe the customer concern with as much detail as possible. Fill in all required fields.
- Include your cell phone number in the TAC ticket. The TAC consultant will use this number to contact you so you can be near the car during the conversation.
- Attach the Collection Services Diagnosis Log and photos of the concern.
- Activate the TAC ticket promptly by calling the TAC for further instruction before carrying out any repairs.

Within one hour of receiving the technician's call, our Launch Team will either provide a repair plan or make the decision to send a Launch Team member to your dealership. If there is no response within the hour, the technician may proceed with the repair.

Through the Audi Launch Allowance Program, Audi dealers may claim **30 time units** when a TAC ticket is properly opened and **30 time units** when the TAC ticket is closed with appropriate attachments and detailed repair information. Dealers may claim an additional **40 time units** when requested parts are sent within 48 hours to the Warranty Parts Return Center.

Further instructions on how to claim the additional time units can be found in the Audi Warranty bulletin AWA 15-13, dated December 18, 2015.

## Warranty and Parts Return Process:

The Audi Warranty Parts Return Center will notify the dealership of a part return on all closed Audi TAC case numbers within one (1) business day.

Warranty Parts Return Center personnel will:

- Contact the Parts Manager to confirm part availability for each part request.

# Technical Service Bulletin

- Create a shipping request in the Warranty Parts Portal (WPP).
- Contact the dealership if the requested part(s) is not picked up by FedEx in 48 hours.

Dealership personnel should:

- Monitor the Outstanding Warranty Parts Report in WPP for new requests.
- Print the pre-addressed shipping label from the WPP.
- Return the requested part(s) with repair documentation and a printed copy of the Audi TAC case number to the Warranty Parts Return Center same day.
- Enter the warranty claim into SAGA within 24 hours of repair.
