

Service Information

Special Tools and Equipment

Number: ATE-15-19

**Subject: Q5 Hybrid Supplement MRT Auto Shipment
AT-378**

Date: August 26, 2015

To aid in diagnosing the high-voltage (HV) battery of the Audi Q5 Hybrid, Audi of America is pleased to inform you of the release and automatic delivery of the Audi Q5 Hybrid Minimum Required Tools (MRT) Shipment.

Starting September 23, 2015, every Audi dealer will be shipped one AT-378 Audi Q5 Hybrid Special Tool Package, Freight F.O.B. Snap-On OEM and invoiced directly by the Audi Special Tools Program (Snap-On Business Solutions - SBS).

For dealers that wish to order additional AT-378 Special Tool Packages, please notify the Audi Tools and Equipment program by contacting us at 800-892-9650. Additional orders will be filled with remaining stock in the order received.

Send shipping and billing inquiries to the Audi Tools and Equipment program: 800-892-9650.

<u>Franchise Type</u>	<u>Package Qty</u>	<u>Dealer Price USA</u>	<u>Dealer Price Canada</u>
Audi Exclusive	1 tools	\$161.70	\$263.30

Note * Canadian prices are subject to change. USD to CAD conversion will be calculated at time of invoicing at the current rate. Canadian pricing also accounts for importation costs from US to Canada.
