Frequently Asked Questions (FAQ)

SUMMARY

Campaign Code: 19L2

Affected Vehicles: **USA:** 2010-2013 MY Audi A3 / **CANADA:** 2012-2013 MY Audi A3

Problem Description: The coolant pump may develop a small leak over time.

Corrective Action: Inspect and, if necessary, replace the coolant pump.

Is a loaner vehicle or towing assistance being covered under this action?

In the event this request is made, please follow existing alternate transportation/towing assistance guidelines to assist the customer. Charges for either service cannot be billed against this campaign but must be handled separate from the campaign.

What should dealers do if they have any affected vehicles in inventory?

Dealers can use their most current OMD Web/AIM report to identify any affected vehicles that may be in their inventory. In the interest of customer safety and satisfaction, affected vehicles should be kept in a secure area where they cannot be made available for sale, lease, trade or demo use until this repair has been performed.

Who should dealers contact if they have additional questions?

Dealers with additional questions about this or any other campaign should contact Warranty. Press inquiries should be directed to Audi Public Relations.

How should customers seeking reimbursement for out-of-pocket expenses be addressed?

Customers seeking reimbursement under this action should refer to the reimbursement instructions that were included with their notification letter for information on what is required in order to request reimbursement. Reimbursement will come directly from Audi, and is not something that a dealership would address. Customers can also contact Audi Customer Experience/Relations directly with any questions they may have regarding reimbursement.

What is the parts allocation plan for this action?

Parts will be allocated prior to customer notification. If you have exhausted your allocated parts but have exceeded your weekly Upper Order Limit, please submit your requests for additional parts via email to upperorderlimits@vw.com. If you have questions regarding parts, please contact the Parts Helpline at 800-767-6552.

FOR USA ONLY:

audiusa.com VIN Lookup Tool Visibility

On or about **August 06, 2015**, the campaign code will appear for affected vehicles in the audiusa.com VIN lookup tool. Customers can check a vehicle's eligibility for repair under this or any other recall/service campaign by visiting the **Recall/Service Campaign Lookup** tool at www.audiusa.com and entering the Vehicle Identification Number (VIN).

IMPORTANT!

This FAQ is intended to provide supplementary information regarding this action. For additional information, please refer to the campaign circular posted on ElsaWeb and ServiceNet. To ensure that ALL of your personnel are aware of this action before receiving questions from any customer, please share this information with ALL personnel who have campaign-related responsibilities, including service writers, technicians, parts employees, warranty administrators, etc.
