All Applicable Vehicles

**APPLICABLE VEHICLES**

2015

Prius V

**CONDITION**

Prius V head units are currently on back order. To help alleviate the back order situation, please be careful when removing the head unit to ensure there are no scratches on the faceplate.

**RECOMMENDATIONS**

Place masking tape around the edges of the faceplate or if a Mylar (plastic) sheet comes with the remanufactured head unit, place it on the head unit **BEFORE** removing it from the vehicle. Doing this will help protect the faceplate during removal and shipping, which will reduce the need for faceplate replacement during the remanufacturing process.
