

Subject

**Spare Tire Carrier Binding Condition**

Market

USA

Service Category

Suspension

Section

Tire/Wheel

Applicability

14-15MY Highlander/Highlander HV

**APPLICABLE VEHICLES**

2014-2015

Highlander

2014-2015

Highlander HV

**CONDITION**

Spare Tire Carrier will bind/seize when lowering or raising spare tire or cable will not fully extend when attempting to lower spare tire, therefore making it difficult to remove from the cable.

**RECOMMENDATIONS**

Contact TAS before repair is made for further instructions. TAS has been instructed to forward any related information to CQS. TAS will help communicate any related cases for a potential go and see activity.
