

Subject Techstream Vehicle Connection Wizard		Market USA
Service Category General	Section Preparation	
Applicability 2016 Scion iA		

APPLICABLE VEHICLES

2016 iA

CONDITION

When connecting Techstream to a Scion iA, a Vehicle Connection Wizard Screen will pop up saying "Please connect the 'MongoosePro MFC 2(Green)' for this vehicle."

RECOMMENDATIONS

Please ignore this message and just press "Next".

The MongoosePro MFC 2(green) is NOT required for this vehicle. This concern will be resolved in Techstream version v10.30.XXX.
