

Subject

Rattle Noise From Parking Brake Over Bumps (Rear Wheel Area)

Market

USA

Service Category

Brake

Section

Parking Brake

Applicability

14-15MY IS 250/350

APPLICABLE VEHICLES

2014-2015

IS250

2014-2015

IS350

CONDITION

Some 14-15 MY IS250/350 vehicles may exhibit a rattle type noise from the rear wheel parking brake area when the vehicle travels over bumps like lane marker dots.

RECOMMENDATIONS

Adjust the parking brake per the repair manual "PARKING BRAKE SYSTEM: ADJUSTMENT" section. (repair manual link below)

Note:

Make sure repair manual step 2.(c) is performed properly during parking brake adjustment.
