

New FlashWrite Update

TO: SDC EST CEN WST
FROM: Subaru of America, Inc.
DEPARTMENT: Service
DATE: 06/10/2015
CATEGORY: Parts/Service

Please be advised that a FlashWrite update will begin downloading to all SDS notebooks on Wednesday, June 10, 2015. This is to correct a minor error in the FlashWrite database.

To receive this download promptly:

1. The SDS notebook must have its connection to the Internet
2. You must have your SDS notebook(s) powered on
3. You must be logged into the notebook

While waiting for the completion of this download, be sure to use the AC power adapter regularly to maintain proper battery power level.

All applications on the SDS notebook are available for use while the software is downloading, but should be exited before running the update. Once the update begins the process should only take a few minutes to complete.
