

To: All Subaru Retailer Principals, General Managers, Sales Managers and Sales Consultants
From: Subaru Retail Operations Training Department
Date: June 24, 2015
Subject: **There's Still Time!—Subaru STARLINK Training**

If you missed your scheduled day to participate in this training, there are still several more opportunities to join us to learn about our all-new Subaru STARLINK Connected Vehicle technology. These safety and convenience services are precisely what your shoppers have been looking for—and we're delivering.

You're invited to join us for any of these remaining broadcasts:

Wednesday, June 24, 2015 at 1pm or 3pm CENTRAL Time

Thursday, June 25, 2015 at 9am, 1pm or 3pm PACIFIC Time

Friday, June 26, 2015 at 9am, 1pm or 3pm PACIFIC Time

In this web-based training, we'll be covering STARLINK's key features and customer benefits and share tips to most effectively sell—and deliver—this suite of sophisticated technologies. You'll be able to view the program on any computer, laptop, or even your smartphone. But perhaps the best part is that you'll be able to **ask questions** throughout the program and receive **immediate** answers from our behind-the-scenes STARLINK experts.

We'll also be awarding **cash prizes** to some lucky participants, as well.
