Urgent

Subject: **Delivery Stop: Program Electronic Control Unit**

Message Recipients: General Managers, Sales Managers, Service and Parts Managers, Service Managers, Shop Foremen, Service Technicians

Message Text:

A Delivery Stop has been issued on X5 Plug-in Hybrid Electric Vehicles (F15 PHEV). These vehicles require programming of the Electric Machine Electronics (EME). Refer to attached Service Information bulletin B12 39 15 and Delivery Stop requirement for further information. Please contact your field representatives if you have any questions.

Sincerely, Eugene Aton, Technical Service
