7' Series G12 Service Parts List

The list of part numbers below is for your use in establishing a parts inventory of service items. Please use this listing as a guide only; you may select whichever quantities and other part numbers from ETK that may be required to do business at your center. Most of the parts listed below are used on other BMW models, so you may have them in your inventory. Please refer to ETK with a VIN for the most up-to-date information.
