Re: Thermostat Housing Situation (Update 4)

Dear Parts and Service Managers,

We are currently in a backorder situation for Thermostat Housing part number 11 53 7 534 521.

Currently there are 622 pcs on backorders. We allocated 134 parts this week.

We currently have 500 pcs in transit to the US.

Upon stock arrival, we will manually release the oldest backorders first. Please only order as needed. **Orders over 5 pcs per day will be adjusted to 5 pcs.**

Until the backorder situation is resolved, we ask to please remove from SRD ordering and use locator.

We will continue to provide weekly updates.

Thank you,  
Parts Logistics
