Dear BMW Motorrad Dealer Network,

As announced at the Dealer Meeting in October per a special mailer card to all customers with open recalls and/or technical campaigns on their motorcycles, please review attached BMW Motorrad Aftersales Bulletin 00_003_15. It requires each dealer to click link in the bulletin in order to acknowledge the free offer to the dealer. This must be done by end of business day December 24th.

Happy Holidays!

BMW Motorrad USA
