## **Emission Recall R41 (STOP SALE) – Tailpipe Emission Non-Compliance**

Fiat Chrysler Automobiles (FCA US LLC) has determined that some **2014 and 2015 RAM ProMaster Chassis Cab and Cutaway** models with a 3.0L (**sales code EXG**) Diesel Engine built between August 15, 2013 and July 15, 2015 (**MDH 081510 through 071512**) are non-compliant with U.S. Environmental Protection Agency (EPA) and California Air Resources Board (CARB) emission requirements.

FCA US LLC is currently evaluating the situation and the various options to resolution. Until then, these vehicles are prohibited from entering commerce.

Dealers will be notified by way of established communication methods as to the direction that will be taken.

**Important: All involved in-stock vehicles are under a “STOP SALE ORDER” and cannot be sold. Civil penalties could be imposed for delivering a non-compliant vehicle.**

We ask that you please take the time to ensure that your personnel are aware of this communication and are prepared to execute a customer friendly process to address inquiries on involved vehicles.
