## PURPOSE:

To announce a VIP LOP Restriction Program on the **Active Grill Shutter (AGS)** in an effort to monitor and correct quality issues in a timely and efficient manner.

## The following vehicles apply to this bulletin:

- 2015 Dodge Dart (PF)

## TIMING:

August 27, 2015 – September 25, 2015

## ACTION:

Prior to servicing any referenced vehicle, a *DealerCONNECT* > *VIP* must be run to identify any repair that may be on the VIP LOP Restriction Pre-Authorization program.

If a repair is on LOP restriction, the dealer must call the STAR Center Hotline at 1-800-850-STAR (7827) and enter the "more options" prompt and select the "Parts or Labor Op Restriction" prompt **prior to repair**.

The LOP Restriction Warning Message will display the following on the Warning Message Tab in VIP: **Repairs listed in the Vehicle Restriction Section require prior authorization from Star/Tech Hotline. Please call the Star Center at 1-800-850-STAR prior to completing vehicle diagnosis.**

A claim submitted for a repair that has a LOP Restriction and without a Pre-Authorization will reject with a message code RB5: "This repair must be pre-authorized because VIP shows that the vehicle has a STAR/Tech Hotline LOP restriction."

*Claims submitted without the required Pre-Authorization will be denied.*

### **ADDITIONAL INFORMATION:**

Dealers will see repairs on restriction in VIP by LOP and Part number.

NOTE: It is possible for a vehicle to have multiple parts and LOP's on restriction.

Alternate transportation reimbursement requests can be submitted on the same claim as the warranty repair.

**Please ensure that all affected dealership personnel are aware of this bulletin.**
