Title	Airbag Recall Return Material Utility Update		
Message	Start Date: 7/17/2015 8:38 AM	End Date 12/31/2015 12:00 AM	Note: All times are EST
Attachments	Recently the SEBC has been made aware of questions concerning Airbag Inflator Kit tickets appearing in the Miscellaneous tab of the Return Material Utility in Dealerconnect. Please be advised that no return action is necessary at this time as Mopar plans to announce a revised return policy for used and unused airbags related to recalls P40, P78, R25 by the week of July 20th. Disregard these tickets until the new return instructions are provided. Please note Mopar will not exercise chargebacks on these tickets if returned after the "Must Ship By" date that currently appears in the Miscellaneous tab. Please contact your Service & Parts Area Manager if you have any questions. Southeast Business Center
