

WARRANTY BULLETIN

TO: Dealer Principal, Service Manager,
Service Advisor, and Warranty Claims
Administrator

SUBJECT: SW BC PILOT – NEW Alternate
Transportation Claim Processing Steps (Rev E)

NO: D-14-19

DATE: April 28, 2015

FOR: All U.S. SW BC Dealers
All U.S. SW BC Business Centers

*****Revision – Changes in Red*****

PURPOSE:

To provide the claim processing guidelines the Southwest Business Center (SW BC) must follow with the launch of the NEW Alternate Transportation **PILOT**. (Refer to Warranty Bulletin D-14-18 for the program guidelines.)

This process applies only to Warranty (W), Recall (S) or Mopar (M) repairs.

Alternate Transportation is also referred to as “rental” or “loaner”.

TIMING:

July 15, 2014 – May 31, 2015

ACTION:

This Warranty Bulletin supersedes Warranty Bulletins D-11-01 and D-11-53 for SW BC Only.

- The Service Manager must review, initial and date all Alternate Transportation claims. If the vehicle is down for repair, on the 10th day the Service Manager must contact their Service & Parts Area Manager (S&P AM) notifying them of additional day(s) of rental. The S&P AM is required to put a DM Note in the system.
- A rental agreement must be completed whenever a dealership provides Alternate Transportation to a customer. Attach a copy of the completed rental agreement to the accounting copy of the RO when Chrysler is participating in the cost of the rental.

Note: The rental agreement must match the time punches to verify the dealer did every attempt to service the vehicle in a timely manner. Chrysler will only pay from the date the dealer started working on the vehicle until the day or day after the repair was completed when the above 10 day guidelines are followed.

- Alternate Transportation reimbursement requests CAN BE submitted:
 - On the same claim as the repair
 - As a continuation to the repair
 - As a Mopar claim
- Alternate Transportation reimbursement requests CANNOT be submitted:
 - For retail services such as: oil changes, tune-ups, tire rotations, etc.
 - If the customer has purchased a Mopar Vehicle Protection (MVP) or other Competitive plan coverage that provides Alternate Transportation unless it exceeds the plan's limit.

- **Mopar Vehicle Protection (MVP) or Competitive Plans**

If Alternate Transportation is covered by a MVP plan, it is not eligible for reimbursement on a Warranty (W) claim.

Dealerships are to bill the applicable service contact provider (MVP or competitor) before utilizing Chrysler's Non-Warranty Goodwill policy. If Chrysler is charged for a rental that could have been covered by a competitive plan, the charges are subject for chargeback.

Claim Processing Guidelines

CLAIM Tab:

- Select claim type based on repair or customers concern
 - (W) Warranty repair
 - (M) Mopar repair on a back order part outside of basic coverage
 - (S) Recall repair
- Chrysler's Group LLC New Vehicle Warranty does not provide Alternate Transportation to customers. All Alternate Transportation claims require a Non-Warranty Goodwill decision.
 - Up to 10 days you must enter **"GW"** in the Claim Authorization Number field.
 - Over 10 days you must enter **"RA"** in the Claim Authorization Number field.
 - The Non-Warranty Goodwill LOP 85-xx-xx-xx is **not required** on the Alternate Transportation claim.

Note: If message codes other than those identified in WB D-12-27 set on the claim, dealers will need to "RA" the claim.

LABOR Tab:

Labor LOP Selection – (With Repair): *Applies to Warranty (W), Mopar (M) and Recall (S) Claims*

When the repair visit results in the customer being provided Alternative Transportation perform the following steps:

- Identify the cause of the failure with the appropriate repair LOP as the failed LOP per normal claim processing guidelines.

For Part Back Order Situation - 85-LO-AN-00 Details:

- Enter **85-LO-AN-00** as a related LOP to the primary LOP (see below for **85-LO-AN-00** details) for a back order situation only
- Verify the last two characters are numeric (Zero Zero)
- 0.0 will populate in the Labor Hour field
- The "Add Narrative" box will display prompting you to enter a narrative in the Straight Time Narrative window
- The Narrative must include the following information:
