SERVICE INFORMATION

If you confirm there is a need to replace the combination meter front cover (lens) on an Applied Vehicle for any reason (scratch, blemish, etc.):

- Do not replace the entire combination meter assembly. The front cover of the combination meter assembly is available as a separate service part.
- Refer to the Electronic Service Manual, section MWI–Meter, Warning Lamp & Indicator, for replacement information.

PARTS INFORMATION

Refer to FAST or your electronic parts catalog to determine the correct part number for your vehicle.

CLAIMS INFORMATION

Refer to the current Nissan Warranty Flat Rate Manual and use the appropriate claims coding for repairs performed.

Nissan Bulletins are intended for use by qualified technicians, not 'do-it-yourselfers'. Qualified technicians are properly trained individuals who have the equipment, tools, safety instruction, and know-how to do a job properly and safely. NOTE: If you believe that a described condition may apply to a particular vehicle, DO NOT assume that it does. See your Nissan dealer to determine if this applies to your vehicle.
