**\*\*\*\*\* Campaign Status Update \*\*\*\*\***

In 1996, Nissan launched a Voluntary Service Campaign on certain vehicles to offer customers the opportunity to replace the fuel injectors and related hoses. Parts specified for this campaign are no longer available for sale through Nissan. This customer satisfaction initiative is no longer offered and the campaign is no longer active.

Repairs performed under P5137 and customer reimbursement for out of pocket expenses for these service campaign repairs are no longer eligible for reimbursement.

**\*\*\*\*\* What Dealers Should Do\*\*\*\*\***

1. Service Comm deactivated P5137 on any unrepaired VINs on August 1<sup>st</sup>, 2015. No further dealer action is required.
