Description

Model 220 Euro 6 Retrofit

Release Date

6/11/2015

Introduction

This bulletin provides repair and administrative directions to retrofit hardware components with current production parts for certain pre-production Peterbilt Model 220 vehicles.

Resolution

The vehicles included in this retrofit campaign have pre-production parts that must be updated with production level parts. See the chassis list, repair kit and SRT in the Parts section below.

Warranty

Peterbilt will reimburse the dealer for parts and labor to perform this retrofit repair as described in this bulletin. The SIR system will indicate chassis involved in this field repair with the designator "515-1" in the campaign field.

If the vehicle is affected and is shown to have an open campaign, please complete the work and file a new truck claim using the Quick Claim shown in the Parts section of this bulletin.

Parts

Parts are kitted for each chassis, and are available from PACCAR Parts. Dealers will place an order through SupportLink using the kit part number for each chassis as shown in the table below.
