WEBSITE PROGRESS

After reviewing several vendors we are excited to move forward with Equity Creative as our new website designer and host! You can view their portfolio at www.equity-creative.com. They have worked with companies such as CASE and Yamaha. One of our first assignments is to develop a tag line to unify Triton as a brand throughout our markets and regions.

WHO TO CONTACT

Not sure who to contact for certain requests? We have recently uploaded a contact list to the distributor suite to ensure your question is going to the proper individual. The contact list can be found in the manuals section under the charts and forms category.
