Dealer Service Instructions for:

Emissions Recall P66 VECI Label

Models

- 2015 (MK74) Jeep® Patriot
2015 (MK49) Jeep® Compass

NOTE: This recall applies only to the above vehicles equipped with a 2.4L engine (sales code ED3), 6-speed automatic transmission (sales code DA4), four wheel drive (sales code 514), and a 50 state emission control system (sales code NAS) built from August 14, 2014 through September 3, 2014 (MDH 081407 through 090323).

IMPORTANT: Some of the involved vehicles may be in dealer new vehicle inventory. Dealers should complete this recall service on these vehicles before retail delivery. Involved vehicles can be determined by using the VIP inquiry process.

Subject

A non-applicable Vehicle Emission Control Information (VECI) label was inadvertently installed on about 3,500 of the above vehicles. The original VECI label incorrectly identifies a four wheel drive vehicle as a front wheel drive vehicle.

Repair

A new VECI label must be installed over the vehicle's original VECI label.

Parts Information

Dealers are required to install the new label on all involved vehicles in dealer inventory.

New VECI labels are being mailed directly to all vehicle owners known to Chrysler with the Owner Notification letter. The owners are requested to install the label themselves or, if preferred, to arrange for dealer installation of the owner supplied label without charge.

Completion Reporting and Reimbursement

Claims for vehicles that have been serviced must be submitted on the DealerCONNECT Claim Entry Screen located on the Service tab. Claims submitted will be used by Chrysler Group LLC to record recall service completions and provide dealer payments.

Use one of the following labor operation numbers and time allowances:

	Labor Operation Number	Time Allowance
Install VECI Label	25-P6-61-82	0.2 hours

NOTE: See the Warranty Administration Manual, Recall Claim Processing Section, for complete recall claim processing instructions.

Dealer Notification

To view this notification on DealerCONNECT, select “Global Recall System” on the Service tab, then click on the description of this notification.

Owner Notification and Service Scheduling

All involved vehicle owners known to Chrysler are being notified of the service requirement by first class mail. They are requested to install the supplied VECI label over the original label on their vehicle. Any owner who prefers not to install the label is asked to schedule an appointment for the service with their dealer. A generic copy of the owner letter is attached.

Enclosed with each owner letter is an Owner Notification postcard to allow owners to update our records if applicable.

Vehicle Lists, Global Recall System, VIP and Dealer Follow Up

All involved vehicles have been entered into the DealerCONNECT Global Recall System (GRS) and Vehicle Information Plus (VIP) for dealer inquiry as needed.

GRS provides involved dealers with an updated VIN list of their incomplete vehicles. The owner's name, address and phone number are listed if known. Completed vehicles are removed from GRS within several days of repair claim submission.

To use this system, click on the “**Service**” tab and then click on “**Global Recall System.**” Your dealer's VIN list for each recall displayed can be sorted by: those vehicles that were unsold at recall launch, those with a phone number, city, zip code, or VIN sequence.

Dealers must perform this repair on all unsold vehicles before retail delivery. Dealers should also use the VIN list to follow up with all owners to schedule appointments for this repair.

Recall VIN lists may contain confidential, restricted owner name and address information that was obtained from the Department of Motor Vehicles of various states. Use of this information is permitted for this recall only and is strictly prohibited from all other use.

IMPORTANT EMISSIONS RECALL

P66

This notice applies to your vehicle (VIN: xxxxxxxxxxxxxxxxxxxx).

Dear: (Name)

FCA has determined that a non-applicable Vehicle Emission Control Information (VECI) label was inadvertently installed on certain **2015 Jeep® Patriot and Compass** vehicles equipped with four wheel drive.

The problem is...

The Vehicle Emission Control Information (VECI) on your vehicle incorrectly identifies a four wheel drive vehicle as a front wheel drive vehicle. This label provides important emissions related service information and is required under Federal and California regulations.

What you must do...

We ask that you apply the enclosed VECI label so that it covers the original label as described on the reverse side of this letter.

If you prefer not to install the label yourself, simply contact your dealer to schedule a service appointment. Label installation will only take a few minutes. However, additional time may be necessary depending on service schedules. This service will be provided free of charge. **Please bring the enclosed VECI label and this letter with you to your dealer.**

If you need help...

If you have questions or concerns which your dealer is unable to resolve, please contact the Chrysler Group Recall Assistance Center at 1-800-853-1403.

Please help us update our records by filling out the attached prepaid postcard, if any of the conditions listed on the card apply to you or your vehicle. You may also update this information on the web at
