44984 2015 Mustang Slave Cylinder Parts Availability

The Ford Parts Catalog incorrectly states that the slave cylinder assembly for the manual transmission equipped units is not available and that the transmission should be replaced. This is incorrect and the slave cylinder assembly is available. The GT (5.0L) and the 3.7L V-6 are both carry over from the 2014 model year. Use the following part numbers for the Slave Cylinder Assembly. 5.0L Manual Transmission equipped units is BR3Z-7A508-B and 3.7L V-6 Manual Transmission equipped units is 4R3Z-7A508-AA.
