Complaint:

ESP indicator lamp active, fault code C007500 in ESP control unit

Cause:

The brake light switch has been overloaded and is damaged internally.

Remedy:

Replace brake light switch and install adapter wiring harness (see AR42.10-D-0042SG).

Note: The adapter wiring harness must be fastened in the area of the brake light switch so that it cannot chafe or touch components of the steering system.
