ONLINE AUTOMOTIVE SERVICE INFORMATION SYSTEM FOR JULY 2015

45207 2016 Escape and Lincoln MKC → SYNC 3 Accessory Interface Protocol Module (APIM)
DTCs U3000 Or B108E

Some 2016 Escape or Lincoln MKC vehicles equipped with SYNC 3 may have DTCs U3000:04 or B108E:12 present in the APIM CMDTC history. If the DTCs U3000:04 or B108E:12 are present and there are no customer symptoms clear the codes and retest. If the code or codes do not return then no further repairs should be attempted. If a DTC or DTCs return as a hard fault and there is a customer symptom refer to Workshop Manual, Section 415 for repair direction.
