

WF15 - Correcting Warranty & Maintenance Booklet (Workshop Campaign)

Vehicle Type: **918 Spyder**

Model Year: **2015**

Concerns: **"Warranty & Maintenance" booklet**

Information: **The ignition coils and the intake manifold pressure sensor were not assigned to the 40,000 km (24,000 mile)/4-year maintenance scope on the affected vehicles.**

To correct the vehicle documents, the "Warranty & Maintenance" booklet must therefore be updated using the sticker set.

Action Required: Stick the sticker in the relevant language from the sticker set on the affected page of the "Warranty & Maintenance" booklet for vehicles that have already been delivered.

Affected Vehicles: Only the vehicles assigned to the campaign (see also PIWIS Vehicle Information). This campaign affects 332 vehicles in North America.

Parts Info: **NOTE: PARTS WILL NOT BE AUTOMATICALLY ALLOCATED TO YOUR DEALERSHIP. ALL PARTS MUST BE ORDERED VIA A PTEC/PAV.**

Part No.	Designation - Use	Qty.
000 043 210 09	⇒ Sticker set - "Warranty & Maintenance" booklet	1 ea.

Important Notice: Technical Bulletins issued by Porsche Cars North America, Inc. are intended only for use by professional automotive technicians who have attended Porsche service training courses. They are written to inform those technicians of conditions that may occur on some Porsche vehicles, or to provide information that could assist in the proper servicing of a vehicle. Porsche special tools may be necessary in order to perform certain operations identified in these bulletins. Use of tools and procedures other than those Porsche recommends in these bulletins may be detrimental to the safe operation of your vehicle, and may endanger the people working on it. Properly trained Porsche technicians have the equipment, tools, safety instructions, and know-how to do the job properly and safely. If a particular condition is described, do not assume that the bulletin applies to your vehicle, or that your vehicle will have that condition. See your authorized Porsche Dealer for the latest information about whether a particular technical bulletin applies to your vehicle. Part numbers listed in these bulletins are for reference only. Always check with your authorized Porsche dealer to verify the current and correct part numbers. The work procedures updated electronically in the Porsche PIWIS diagnostic and testing device take precedence and, in the event of a discrepancy, the work procedures in the PIWIS Tester are the ones that must be followed.
