December 2015

Technical Service Bulletin Notification TSB #15-023

Unit Number _____

NAME
ADDRESS
CITY, STATE ZIP
COUNTRY

Dear Valued Entegra Coach Owner:

Entegra Coach has determined certain Model Year 2016 Aspire, Anthem and Cornerstone Class A Motorhomes require a modification to the macerator hose connection and an installment of a gate valve. **We recommend that you use the bypass until the Bulletin repair is completed. Using prior to the repair could result in a leak.**

Our records indicate that your motor home is affected by this bulletin. We are working with our vendor to obtain the required parts for the repair and will ship the parts kit **directly to you** in approximately 3 weeks. Do NOT try to perform this Bulletin repair. Please contact an authorized Entegra Dealer to schedule an appointment and present this letter and parts kit as authorization to have the procedure completed at no cost to you.

The coverage period for this Technical Service Bulletin is for one (1) year from the release of this notification (December 2015 – December 2016). If you have sold or traded your vehicle, or for any reason cannot have this service performed, please contact the Entegra Coach Customer Service Department at 800-517-9137.

We apologize for any inconvenience this may cause. However, we are confident that this improvement will offer continued satisfaction with your Entegra Coach Motorhome.

Sincerely,
Entegra Coach
