<b>SUBJECT:           BLACK WHEEL CENTER CAP ON FLEET VEHICLES</b>		

On some 2015MY Optima LX vehicles sold for Fleet use, dealer personnel may notice that the wheel center cap has a black background and differs in appearance from other Optima LX vehicles. This is normal vehicle contenting and no parts should be replaced in an attempt to match the appearance to retail units in dealer inventory. **NOTE: Warranty claims submitted for wheel center cap replacement on fleet vehicles may be subject to chargeback.**
