| Title | In Control Touch - Request to select the Appropriate Search country on the Navigation at PDI |
| Category | Electrical |
| Last modified | 11-Nov-2015 00:00:00 |
| Symptom | 207000 Entertainment Systems |
| Content | <p><u>Issue</u></p> <p>For vehicles fitted with the In Control Touch there could be a customer concern that on collection of their vehicle the correct search country has not been selected in the navigation.</p> <p><u>Action</u></p> <p>As part of the PDI process you are requested to ensure that the correct search country is selected in the navigation.</p> <p>This can be found by selecting "Navigation – Where to - Address".</p> <p>If the system is showing either "Enter country" or a none relevant country then enter the correct country by selecting the incorrect text and selecting the correct search country using the keyboard.</p> <p>The PDI process will be updated at the earliest opportunity</p> |
