

GPOP - Issue Review System

Part Number: 05179099A\$

Part Description: Sensor, Cam Position

Issue If a vehicle comes in with an active or stored P0340 and/or P0341 fault code in the
Description: PCM, please contact Christine Donegan with STAR Support Center at
(866) 799-1692 ext.1257 for further instructions on returning the Cam Position
Sensor via Fast Track process. Cummins is actively investigating this fault code and
requires suspect cam position sensors back from the field for further investigation
and testing.
