

**To:** All Subaru Retailers  
**From:** Subaru of America, Inc. – Remanufactured Operations / Service Engineering  
**Date:** January 25, 2016  
**Subject:** *Launch of Remanufactured Turbochargers*

---

SOA is pleased to announce the launch of a new remanufactured turbocharger program. Supplies are now available at all RDC's.

Part numbers and applications:

Part Number	Core Part Number	Application
14411AA532R1	14411AA532C1	2004-2005 Forester 2004-2006 Baja
14411AA383R1	14411AA383C1	2002-2005 Impreza WRX

**Pricing:**

<b>Dealer Cost:</b>	<b>MSRP:</b>
\$750.75	\$975.00

***This price point represents a savings of over \$275.00 at Dealer Cost over current OE offerings!***

**Warranty:**

This warranty begins on the day a Genuine Subaru Remanufactured turbo charger is purchased by a retail customer. The warranty is 1 year, regardless of mileage, or for the period of coverage remaining for the particular part under other Subaru Limited Warranties, whichever is longer.

**Repair Procedures/Information:**

When installing a remanufactured turbocharger follow the procedure outlined in Service Bulletin 02-106-08R and consult the service manual for vehicle specific instructions.

**Core Handling:**

The core value for reman turbo chargers is \$100.00.

- Package the remanufactured turbo charger core in the original box, which is pre-addressed or include a shipping label with the shipping address for YRC Reverse Logistics.
- Visit [Subarunet.com/Fixed Ops-InventoryOps/Returns Shipping](http://Subarunet.com/Fixed Ops-InventoryOps>Returns Shipping) ( YRC Reverse Logistics Return Program) for pick-up arrangements

If you have questions, please contact The PICS at 1-866-Subaru2 – Option 1.
