029)

Hyundai Motor America is conducting Service Campaign THH to update the navigation system software on certain 2014 Model Year Santa Fe, Santa Fe Sport, Tucson, Sonata, and Elantra vehicles. Service Campaign THH provides a service procedure to update the Navigation system software.

In order to identify only those vehicles affected by Service Campaign THH, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the repair. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign THH.

A listing of VEHICLES is also located on WEBDCS, SERVICE tab, select INFORMATION, and select UNCOMPLETED CAMPAIGN VIN LISTING - RETAILED.

TSB #16-01-029 will be available on HMAService.com on June 22, 2016. It contains instructions on performing the service procedure and submitting the campaign claim.

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.
