SUBJECT: Service Campaign TFF - 2016 Sonata Electric Parking  
Brake Logic Update (TSB# 16-01-024)

Hyundai Motor America is conducting a Service Campaign to update the electric parking brake (EPB) logic on certain 2016 Sonata vehicles. Service Campaign TFF provides a procedure to update the EPB logic.

In order to identify only those vehicles affected by Service Campaign TFF, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the campaign. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign TFF.

A listing of VEHICLES is also located on WEBDCS, SERVICE tab, select INFORMATION, and select UNCOMPLETED CAMPAIGN VIN LISTING - Dealer Stock and Retailed.

TSB #16-01-024 is available on HMAService.com as of May 11, 2016. It contains instructions on performing the service and submitting the campaign claim.

Applicable software for this campaign is available on Hyundai's Service Website.

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.

LEGAL LIABILITY NOTICE: You are required to keep confidential any and all information and documents provided to you by Hyundai Motor America in the conduct of carrying out work for this service campaign. Hyundai Motor America dealers may use owner information provided for the campaign only for the purpose of conducting and performing this service campaign, and for no other purpose.

Hyundai appreciates your cooperation and support. Questions may be directed to your District Parts and Service Manager or Warranty HELPREP line at 1-877-446-2922.
