

URGENT SAFETY ISSUE

Airbags in Honda and Acura Vehicles

Avoid Injury: Schedule your
FREE REPAIR Immediately!

The Takata Airbag Inflators in certain Honda and Acura vehicles (listed below) can rupture and cause serious injury or death. For model years 2001, 2002 and 2003, the repair is especially urgent because there is an even greater risk that your airbag inflator could rupture. Please take immediate action to replace your airbag inflator at no cost to you. To see if your vehicle needs immediate attention, please check its recall status by taking one of the following steps:

GO to recalls.honda.com for Honda drivers,
or recalls.acura.com for Acura drivers.

CALL 1-888-234-2138 for both Honda and Acura vehicles.

VISIT an authorized Honda or Acura dealer to have it serviced.

Honda is committed to addressing your needs and concerns.

**Alternative transportation is available to you
while getting your car repaired.**

Almost everyone knows someone who owns a Honda. If you or someone you know is driving one of these Honda or Acura vehicles, please encourage them to contact us.

We care about your safety, so please take action immediately.
