From: Richard Kenton, Technical Director; Jonathan LaForte, Technical Manager

Dear Service Manager,

In an effort to improve the quality of Service offered at your workshops, and thanks to your suggestions, Ducati is pleased to inform you that we have developed new fuel tank protectors dedicated to the main models currently in production.

The use of these covers during your repair and maintenance activities will help you ensure the maximum quality of the service offered to the customer; at the same time protecting the fuel tank against shock or damage.

These tank covers integrate with the specific tools you have already purchased, and they are part of Ducati Service minimum standard requirements.

The list of Ducati Service specific Equipment (Ed.07-2016) has been now updated and is available in the Download Area of the Workshop Manual on DCS.

The fuel tank protection kit part no.887138842 is a compulsory tool, used to carry out Service activities, and will be auto-shipped directly to you.

ATTENTION

Before installing these protectors, thoroughly clean the tank to avoid that any dirt and/or impurity present on it will not damage the paint.

NOTE

The below mandatory tools (covers) will be auto-shipped directly by Ducati to dealers who are on the auto-ship program.

Hereinafter is the list of compulsory tools:

IMPORTANT:

All dealers that signed the auto-shipment agreement will receive the above noted covers. As these are required, dealers that did not sign the auto-shipment agreement must order the covers using the part number listed above.

Dealers with parts accounts that are not in good standing will not be auto-shipped the covers. Please place a manual order with Ducati North America via the Credit Hold Order Form.

These covers are designed to support Service activities, as part of Ducati's commitment to making available all necessary tools in order to offer end users top-notch After Sales Service - a key to business success. It should also be noted that failure by a dealer to acquire this tool immediately may constitute a breach of their dealer agreement.

We trust that this product will further enhance the premium level of your Service Department.
