October 2016

This notice applies to your vehicle:

RE: 2015 TLX

Dear

What is the reason for this notice?

Our records indicate that a PRODUCT UPDATE has not been completed on this vehicle; refer to the address card for the affected VIN. While driving, the vehicle may shift into Neutral and the transmission indicator comes on. The driver will not be able to select any other gear until the vehicle is turned off and restarted.

What should you do?

Please contact any authorized Acura dealer to schedule a service appointment. The dealer will update the software in your vehicle. This work will be done *free of charge*.

California Owners Only

The DMV will not renew your registration until this product update has been completed. After completing the repair procedure, your dealer must give you a Vehicle Emission Recall - Proof of Correction certificate. Please make sure the dealer completes and gives you the certificate. Keep the certificate for your records as proof that the emissions recall was completed. Submit the certificate to the DMV only if the DMV requests it.

If you have questions

If you have any questions about this notice, or you need assistance locating a dealer, you may contact Acura Automobile Client Relations at 1-888-234-2138. You may also find this information at www.myAcura.com.

We apologize for any inconvenience this product update may cause you. We are taking this action in the interest of your continued satisfaction with your Acura vehicle.

Sincerely,

**American Honda Motor Co., Inc.
