Subject	2010-2013 VFR1200F/FD Drive Shaft Replacement - Part Availability						

On December 4th, 2015 American Honda posted Service Bulletin VFR1200F/FD #1 for 2010-2013 VFR1200F/FD Drive Shaft Replacement Safety Recall Campaign. Later the bulletin was revised to include repair information.

Since the launch of this campaign, the Shaft Propeller Kits were only available by contacting TechLine. Effective immediately, the Shaft Propeller Kits are now available for open ordering. Please order parts as needed through normal ordering method.

Reference bulletin VFR1200F/FD #1 for repair information.

Thank You,

American Honda Motor Co., Inc.
